of Southeast Kansas**

CareVan FAQs

Q: Are the vehicles wheelchair accessible?

A: Yes, all vehicles are wheelchair accessible; some have power lifts and some have ramps. Please let the dispatcher know when scheduling your ride.

Q: I need a ride to a non-CHC/SEK facility, is that ok?

A: Yes, we will go to other clinics, hospital systems, or pharmacies.

Q: Are masks required in the vehicles?

A: We ask that all passengers with symptoms (fever, cough, sneezing, congestion, etc) wear a mask to protect our drivers and other riders.

Q: As a rider, will there be other riders in the vehicle with me?

A: Yes, we will try to accommodate as many riders as possible. This means that riders may share a vehicle, be asked to be dropped off early for an appointment, or may need to wait for their ride home.

Q: How do I schedule a ride?

A: Please call 833-228-7433. Please leave a voicemail with the best number to reach you if there is no answer.
